A Message from the President

Dear Members;

It is once again my pleasure on behalf of the Board of Directors to report to the membership that 2004 was a successful year.

Our success is measured in the following way:

- ▲ ASSETS — INCREASED 5.4%
- ▲ LOANS TO MEMBERS— INCREASED 5.8%
- ▲ MEMBER EQUITY — INCREASED 8.4%

Notwithstanding continued evidence that economic growth was slower than expected, the Federal Reserve raised rates **five times** in 2004 and a variety of economic trends suggests that policymakers have no reason to slow or accelerate the rate increases any time soon. With this in mind, we urge you to make your financial decisions accordingly.

Are you taking advantage of all the services the Credit Union has to offer? We have the highest rates on Shared Certificates of Deposits, Individual Retirement Account and extremely competitive rates on all loan products. We also continue to offer no-cost checking, audio response and home banking, everything you could ask for and more. Our experienced loan specialists and member service representatives would be happy to assist you with any of your financial needs.

I look forward to seeing you at our 87th Annual Meeting. I'm sure you will have a delightful and informative afternoon.

Sincerely,

Mark Shottland, *President*

NOTICE

OF YOUR FINANCIAL PRIVACY RIGHTS

We, our, and **us,** when used in this notice, mean Progressive Credit Union.

This is our privacy notice for our members. When we use the words “you” and “your” we mean the following types of members:

If you share your account relationship with someone else, for example, where you are a co-borrower or joint holder of a share draft account, we suggest that you share this information with each other to ensure that each of you are aware of our policy and your options.

We first define some terms:

Nonpublic personal information means information about you that we collect in connection with providing a financial product or service to you. Nonpublic personal information does not include information that is available from public sources, such as telephone directories or government records.
